San Antonio, TX 78258

www.HardyOakPTA.com

Dear Parents,

In recent years, NEISD has revised its policy regarding how field trips are funded. As a result of these changes, Hardy Oak can no longer charge students for the cost of their class field trips.

Currently, Hardy Oak students will not benefit from field trips without your help and run the risk of missing out on performances, visiting museums or taking a trip to the zoo.

We are asking for \$25 per student, but are happy to accept any amount that is comfortable for you.

All donations will be placed in a specific account managed by the school. Any money collected in excess of the costs will be rolled over into the 2020-2021 school year.

Thank you for your consideration and support.

Warmest wishes,

The Hardy Oak PTA
